

DALMORE FARM

WEDDINGS

Dalmore Farm is a historic property located in the Blackwood Valley, approximately 17 kilometres outside of Bridgetown.

Set in a private valley on 240 acres, this working farm is surrounded by rolling hills and beautiful tall trees.

There is a wide stream that meanders through the heart of the property, and old oak trees provide shade and character around the homestead.

As one of the oldest estates in the region, Dalmore boasts some exceptionally beautiful locations and period features to make your wedding unforgettable.

The Ceremony

There are a number of special locations for ceremonies. From the sweeping vistas of the back paddock to the flowery canopy of the pear orchard, the choice is yours.

All of our ceremony locations are an easy stroll from the main entertaining area so your guests can make the journey on foot or a vintage hay wagon can be arranged upon request.

The Reception

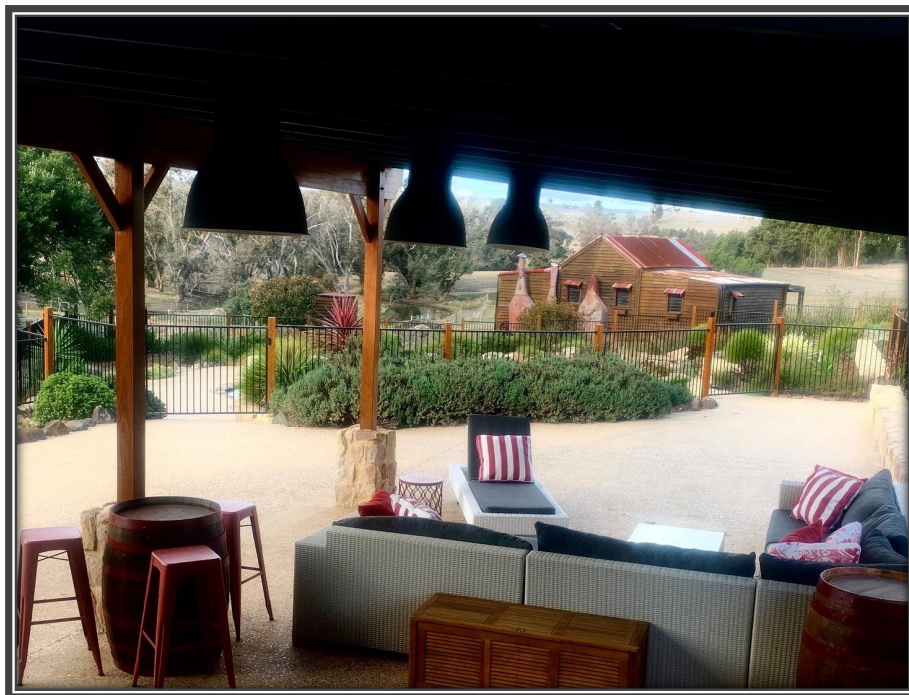

Our Shearing Shed has been converted into an exceptionally beautiful reception space. Restored to capture the character of Australia's rural past, The Shed blends modern convenience with antiquated charm.

The only venue of its kind in the SW, The Shed offers the perfect memorable space for your wedding reception.

Our Outdoor Space

In 2015, we added a stunning outdoor entertaining area to our facility. The perfect place for pre-reception drinks and canapés, this patio is designed to impress and delight.

Our Packages and DIY options

We have a range of packages for couples considering Dalmore as the venue for their special day; from fully styled celebrations where all you do is show up to complete DIY-options that allow you to oversee every detail to your taste and budget.
